### THE PROSPECTS

1

Well **Swan Districts** were shocked last season when they ended up potless after a major injury allowed **The Warriors** to sweep the board. Both clubs are gonna be up there again, though I think that after a season in the doldrums **Port Glasgow** could well give them a run for their money. Down at the bottom, **Camden Town** look as if their new manager might need a big, big effort if they are to maintain their first division status. **Milpitas Galaxy** might have problems as well, while promoted **Parisian Foxes** are going to have to spend that massive warchest if they are going to survive in the top flight.

2

Looks like quite a battle for promotion form the second division. **Streamwood Town** look as if they could bounce straight back, while promoted **Hogwarts School** could well keep going straight through the divisions. Watch **Lemmings FC** as well, they could improve on lasts season as well. Strugglers, could be **Ordsall Rovers** who look as if they haven't built on last season, while it's going

to be difficult for **AC Cotelands** to find their feet in this division I feel. Ordsall along with **AC Mailan** do have money to spend which could just save both of them from poor seasons, the latter really do need to buck up after their monumental slide from the top echelons of the league.

3

I think **Central park** might be the team to beat in the third this season, about time too, but their development, though slowly, is improving mightily. Behind them well could be close indeed. **New Jersey & Reale Glimmer** look likely to bounce straight back or have the chance to. **Carling rangers** have a squad that could well do so but their debt is going to mean that their new manager has real problems before him!

Down amongst the dead men well looks like **East Jerusalem** will be struggling, though they do have money to spend to strengthen the squad. **Bryony Albion** don't seem to be making much progress and it looks like they'll be down there again, while **Oakley Rangers** look as if they have got lots of work to do if they are going to be out of the bottom three.

### MANAGERIAL CHAIRS

#### DIVISION ONE

Yorkshire Pride are now called **Uberwald**

#### DIVISION TWO

Brenley Park are now called **Chancellor**

#### DIVISION THREE

Manchester Utd are now called **Carling Rovers**

NC Chromers are now called **East Jerusalem**

### THE VULCANO AWARDS

The **Manager of the Year** award goes to **The Jensen Combo** who took **The Warriors** to the top of the pile.

**Most Improved Team** goes to **Travellers Utd**, though **Hogwarts Schl** also picked up quite a number of votes as well.

**The Performance of the Year** was won by **The Warriors** for their four trophy haul, hands down win here.

The **Fair Play Award** was one by **Yorkshire Pride** with just 12 DPPs to their name all season long.

Finally the **GM's Award** I give to **Dave Carter** for turning **Antarctica** around, let's hope he can go back through eh divisions gain and not fall like a stone afterwards!
